 Protective degree II
 Unr 230/400V Uni

Plastic distribution boards UNI are made of plastic in grey color RAL 7035. They are equipped with a rubber seal, mounting board, doors in grey color made of polycarbonate with hinges that are closed by a single lock with a key. The rubber seal allows to achieve high sealing parameters. The universality of the application, precisely and accurately manufactured parts are the result, which gives a stable aesthetically looking UNI board.

UNI-1

Catalog number	Name	Dimensions					Dimensions of the mounting board (mm)
		A (mm)	B (mm)	a (mm)	b (mm)	c (mm)	
43.0	UNI - 0	300	300	275	275	160	285 x 285 x 9
43.1	UNI - 1	400	300	410	275	160	385 x 285 x 9
43.2	UNI - 2	500	400	510	375	179	485 x 385 x 9
